2. If you have the Zoom app installed on your device, it will instruct you to install it. The Zoom room will open 15 minutes early – so feel free to join then to ensure your device is configured and working. **TEAM CAPTAINS – we recommend logging in from computer.**
3. The event will kick-off about 5 minutes after the start time to allow any players to join who may be running a bit late.
4. TriviaHub (our Host) will walk through some housekeeping items to remind everyone the rules of how the event is going to be played.
5. During the event, you will play as a team with **ONE team captain**. First, ALL people are on a team of 8 people. Additionally, some teams might all be physically together, while others might have all their team members on their own device at home. Choose your Team Captain wisely. He or she will provide your team's answer to the Host. If playing as a remote team, TriviaHub will organize you and ask for your assistance in changing your onscreen name if your teams have been pre-determined. Your Team Name and Team Captain are included below to assist you with this process.
6. **TEAM CAPTAIN ONLY:** The host will then provide your team with a website link. This will be used to submit answers for scoring. You can see a sample of what the website looks like [here](https://www.triviahublive.io/team-answer-page). <https://www.triviahublive.io/team-answer-page>
7. **TEAM CAPTAIN ONLY:** When you first go to the website, you'll need to enter your team name, and any team members you might be playing with.

8. Once all teams are registered, the host will start trivia play. They will present questions and you will enter your answers in the website. At the end of each round, you'll submit your answers to the host.
9. After each round is completed, the host will review answers and announce the current scores and leaders.
10. The host will tally final scores after the last round of trivia. If there is a tie, they will go into an optional tie-breaker round where the tied teams will compete in answering a numerical question. The team closest to the answer will break the tie and win.
11. The winning team will be announced along with any included prizes. If you are one of the winning teams we may ask for your contact information to get your prizes to you.
12. The event will wrap-up and the host will wish you well!

#### **Tech specs!**

- 1) Please refrain from using any VPN, proxy, or citrix. These can interfere with zoom capabilities, as well as access to our quiz system. We always recommend joining from a personal computer or device.
- 2) TriviaHub's browser-based quiz system works with most internet browsers. Chrome is preferred. Please use an updated version. No Internet Explorer.

#### **What makes a good team captain?**

As team captain, you will be required to register your team with TriviaHub's quiz system, and then record your team's answers. Here are some guidelines for how to be a good team captain!

- 1) **tech savvy** - You will need to toggle between zoom and your browser in order to fill out the answer sheet.
- 2) **laptop or desktop computer** - Toggling between zoom and our browser-based answer sheet is so much easier on a proper computer as opposed to a tablet or phone.
- 3) **stick around!** - Please be sure you will be around for the entire event! If you leave, how will your team submit their answers?

- 4) **stable internet connection** - Same as above, if you drop out, you'll leave your teammates high and dry!
- 5) **chrome browser preferred** - Please use a newer, updated browser. No Internet Explorer!

**Instructions on how to change your name in Zoom:**

- TriviaHub requires each player to change their name to start their team number like so: (1 - John Smith) in this example, John's team number is 1. Make sure you use the number assigned to your team.
- **Desktop/Laptop**- Upon joining the game, you must hover your cursor over your own tile (your face) and click on the three dots in the upper right corner of your tile. Then select "rename" to change your name like so: "1 John Smith"
- **Mobile/Tablet**- If you are playing from your phone, you can rename yourself by clicking the Participants button at the bottom of the screen, click your name and hit the Rename option.
